We would like to make the following corrections for AJCR0108094:

1. The first error was in the author names, which needs to be corrected (change “Quotao Lu” to “Guotao Lu”).

2. The second is the newly found error when we recheck. Actually, there were two corresponding authors in paper AJCR0108094, “Weiming Xiao” [wmxiao@yzu.edu.cn](mailto:wmxiao@yzu.edu.cn) and “Weijuan Gong” [wjgong@yzu.edu.cn](mailto:wjgong@yzu.edu.cn). It can be evidenced by the previously submitted manuscript, the list submitted from the online submission system or the invoice paid by two respective authors.

However, there is only one corresponding author in the paper AJCR0108094 which published online in PMC. Therefore, we sincerely hope that you will give us an opportunity to add another corresponding author “Weiming Xiao” [wmxiao@yzu.edu.cn](mailto:wmxiao@yzu.edu.cn).
