Homeostasis of redox status derived from glucose metabolic pathway could be the key to understanding the Warburg effect [Retraction]

Zhang S, Yang C, Yang Z, Zhang D, Ma X, Mills G, Liu Z. *American Journal of Cancer Research*. 2015;5:1265-1280.

The same paper entitled “Homeostasis of redox status derived from glucose metabolic pathway could be the key to understanding the Warburg

effect” was released in *American Journal of Cancer Research*. 2015;5:928-944. We must retract the same paper in *American Journal of Cancer Research*. 2015;5:1265-1280.
