

## *Retraction*

# **SCAMP3 is regulated by miR-128-3p and promotes the metastasis of hepatocellular carcinoma cells through EGFR-MAPK p38 signaling pathway [Retraction]**

Kang L, Zhang ZH, Zhao Y. *American Journal of Translational Research*. 2020;12:7870-7884.

Because of certain problems found upon re-evaluation of the data, we need to perform additional experiments to verify the current

results. Thus, we temporarily apply to withdraw this manuscript and look forward to better results in the future.
