In this article published in AJTR, a minor concern regarding the third affiliation of author needs correction. It should be 'Shandong Cancer Hospital and Institute, Shandong First Medical University and Shandong Academy of Medical Sciences, Jinan 250117, Shandong, China', not 'Department of Gynecologic Oncology, Shandong Cancer Hospital Affiliated to Shandong University, Shandong Academy of Medical Sciences, Jinan 250117, Shandong,

China'. Therefore, in order to clarify this point, we therefore request you to publish Erratum to reflect this change.
