MicroRNAs-491-5p suppresses cell proliferation and invasion by inhibiting IGF2BP1 in non-small cell lung cancer [Retraction]

Gong FC, Ren P, Zhang Y, Jiang JD, Zhang H.
American Journal of Translational Research.
2016;8:485-495.

We recently found that A549 cells used in this study were contaminated by other cells. Thus, our results might be wrong. In addition, Figure 5B has some mistake due to a misuse of pro-

tein bland. Moreover, some original data were missing due to irresistible cause. Therefore, we want to retract this paper published in Am J Transl Res. We sincerely apologize for any inconvenience that might result from the retraction of this article.
