Long noncoding RNA DLX6-AS1 targets miR-124-3p/ CDK4 to accelerate Ewing's sarcoma [Retraction]

Lei XM, Yang SP, Yang YY, Zhang J, Wang Y, Cao MH. *American Journal of Translational Research*. 2019;11:6569-6576.

The author found some unreliable data in the study in regard to lncRNA DLX6-AS1. The data and findings need more experiments to vali-

date them. In order to make the conclusions more reliable, the authors plan to provide supplemental experimental data. Therefore, the authors decided to retract this article in accordance with this journal's policy and editorial decision.
