Fallopian tube secretory cell expansion: a sensitive biomarker for ovarian serous carcinogenesis [Retraction]

Wang Y, Li L, Wang Y, Tang SN, Zheng W. *American Journal of Translational Research*. 2016;8:230-238.

The same paper entitled “Fallopian tube secretory cell expansion: a sensitive biomarker for

ovarian serous carcinogenesis” was released in *American Journal of Translational Research*. 2015;7:2082-2090. We must retract the same paper in *American Journal of Translational Research*. 2016;8:230-238.
