

Erratum

Observation of clinical effects of care bundle on patients with traumatic brain injury during nasal feeding: Int J Clin Exp Med. 2017; 10(9): 13790-13795

Zhiyue Yan^{1*}, Hong Chen^{2*}, Ying Ni¹, Jingwen Gu², Wenxia Yu¹, Jie Gao¹

Departments of ¹Nursing, ²Worldwide Medical Center, Huashan Hospital, Fudan University, Shanghai, China.
**Equal contributors and co-first authors.*

Received October 17, 2017; Accepted October 22, 2017; Epub November 15, 2017; Published November 30, 2017

In this article published in IJCEM, a major concern regarding the Acknowledgements has been found. We make sure that we put the Acknowledgements in the resubmitted file, however there was nothing in the PDF proof. We express regrets for this confusion. It is an important issue; we therefore request you to publish Erratum to reflect this change. The right one is below.

Acknowledgements

The paper was supported by Huashan Hospital, Fudan University (2014QD23), Important Weak Discipline Construction Project of Shanghai Municipal Commission of Health and Family Planning (2015ZB0301) and Shanghai's Three-year Action Plan on Public Health, Phase IV (15GWZK0801).
