

This article has been retracted by the authors

Xiangdong Xu, Friederike H Kreisel, John L Frater, Anjum Hassan: Mast cell leukemia with prolonged survival on PKC412/midostaurin. Int J Clin Exp Pathol 2014;7(6):3439-3443.)

The authors agree to voluntarily retract this paper due to the following reason: Before the publication, the authors were not aware that the sponsor of the ongoing clinical trial had a policy prohibiting individual case reports outside of the formal publication of the trial. The authors apologize for any confusion and inconvenience stemming from this and request immediate withdrawal of the publication. “
