## DISCLOSURE STATEMENT

Manuscript Number: AJTR\_\_\_\_\_

Each author is required to fill out this form. The editor's interest extends to those areas relevant to the article that broadly viewed, could be construed as constituting a conflict of interest or the appearance thereof. The information will be used only in paraphrase to write disclosure statements. **If there is nothing to disclose, please indicate so.**

All authors are required to complete a separate declaration of competing interests. All competing interests that are declared will be listed at the end of published articles. **Where an author gives no competing interests, please indicate 'The author(s) declare that they have no competing interests'** in the cover letter.

This form should be submitted upon acceptance of a manuscript.

A) Please indicate the type and extent of any:

1. Equity ownership/stock options (publicly or privately traded firms, excluding mutual funds)
2. Lecture fees when speaking at the invitation of a commercial sponsor (for the past two years or the known future)
